

What differentiates Common Wealth from the legacy carriers?

+ Low fees for life: Saving employees thousands annually

With our competitive fees below the industry average, your employees can save tens of thousands, enhancing their retirement and showcasing your commitment to their future.

+ Service excellence: 93% customer satisfaction scores

With a 9.3/10 rating from employers, our human-centric approach ensures exceptional support, emphasizing responsiveness, expertise, and genuine care for your employees.

+ True retirement plan for life: Enrolling in just 10 minutes

Our 10-minute digital enrollment and unlimited one-on-one support prioritize your employees' time, equipping them with tools to confidently map their retirement journey.

+ Efficient employer admin: Taking 5 minutes per pay cycle

Experience the ease of plan administration, requiring just 5 minutes per pay cycle. Benefit from our fully guided implementation, overseen by a dedicated support team.

+ Award-winning experience: A benefit employees will truly value

Our award-winning platform enhances job satisfaction and productivity by offering personalized retirement planning with low fees, reducing financial stress for a secure future.
